Serial No.

The procedure regarding the adjustment of the cost of Construction and repairs of Local Fund Dispensaries is laid down in G.P. No 6690-702/Med 28-07-5 dated 13th January 1908.

If the President, District Board issues a cheque for the amount equal to the quota payable from Dt. Fund in favor of the District Treasury Officer for credit to the P.W. Department and intimates the fact to the Executive Engineer no reference to Government in these matters seems to be necessary.

In the present case the reference seems not necessary.
